VISION

Motherland as the name specifies is the perfect combination of human resources & material resources with a healthy peaceful & green environment. Motherland Career College is to create good citizens for the country who understand their responsibilities & play their part in the nation building & to become valuable members of the society. College are indicators of its conviction to promote the highest quality of academic, ethical & social values among its students. The college envisions setting up very high standards of academics where excellence is achieved. Through hardwork, dedication & brilliance.

MISSION

The institution primarily caters to the socio-economic deprived sections of society. The mission is to provide all-round education to young men & women to make them disciplined citizens. Who will be able to display intellectual calibre combining it with emotional balance & social commitment. Due to reason, the college provides quality education to its students so that they are prepared to face challenges in the days to come & inculcate the value system in them & strengthen their economic, social & cultural life, make them responsible citizens of tomorrow.
